Winemaker Notes

“The 2012 shows the lush complexity and character Petite Sirah can offer. The aromas and flavors of this liquid feast are black plum, smoke, baked pear, grilled meat, leather, freshly ground espresso beans, cinnamon, and a juicy core combined with a tannin structure that gives enormous promise for anyone who holds this in the cellar for a long time.”

Eighty Four Wines

We started making wine together in 1984. The first few years were challenging — experimenting, working long hours, learning from our mistakes, pushing ourselves to make the best wines we could. They were exciting years. This wine represents two friends going full circle — making wine together, trying new things, doing what we love. That’s the spirit of Eighty Four. Enjoy! — **Elias Fernandez & Doug Shafer**
